FEBRUARY EVENTS

A Look At Lent

The season of Lent is a time when we prepare our hearts, minds and souls for the sacred observances of Christ's death on Good Friday and his resurrection on Easter. In Lent, we recognize we are simply dust and ashes without Christ, we confess our sins to God, and we follow Christ the cross, where we are made whole again.

On Ash Wednesday, worship leaders place a cross of ashes on our foreheads as a reminder that we are dust and to dust we shall we return.

Faith

Faith is a way of life. Faith brings us into the presence of God and leads us to commit ourselves totally to God. Faith is an adventure. Faith must grow, change and have a deepening understanding of God and our relationship to him. Some of Martin Luther's thoughts on faith are –
Are there times when we lack faith? Do you think our faith wavers, goes up and down: When some events seem good and positive our faith is up, but when things look bad our faith can disappear.
What is faith to you?
